

The Unfinished Work of Jesus

A high-angle, wide shot of the Earth from space, showing the curvature of the planet and the atmosphere. The Earth is illuminated from the top, creating a bright glow at the top edge of the frame. The colors range from deep blues to bright whites, with some green and brown patches visible on the surface.

John 19:23-30

Jesus changed the world more than any other..

- No man ever accomplished more in a brief life..
- Jesus changes everyone He comes in contact..
- You can't escape His influence..

We celebrate what Jesus has done for us..

- Redeemed our past..
- Secured our future..

IT IS **FINISHED**

He is also actively involved in our today..

1 Ruling in power..

- **Heb 1:1-3** God.. has in these last days spoken to us by *His* Son, whom He has appointed heir of all things..being the brightness of *His* glory and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high..

2 Interceding on our behalf..

- **Heb 7:25** Therefore He is also able to save to the uttermost those who come to God through Him, since He always lives to make intercession for them.

3 Preparing a place for us..

- **John 14:1-3** “Let not your heart be troubled; you believe in God, believe also in Me. ² In My Father’s house are many mansions; if *it were* not so, I would have told you. I go to prepare a place for you. ³ And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, *there* you may be also.

The Unfinished Work of Jesus

A high-angle, wide-view photograph of the Earth from space. The planet's curvature is prominent, with the dark blue of the atmosphere and the lighter blue of the oceans visible. The landmasses are seen in shades of green and brown. The sun is visible in the upper center, creating a bright glow and lens flare effect across the top of the image.
